## Cliquez sur Mot de passe oublié

Introduisez l'identifiant de votre enfant et l'adresse email attaché à votre compte parent. Puis cliquez sur Demander un mot de passe.

The screenshot shows the 'Mot de passe oublié?' section of the Smartschool login page. It includes the school logo, a heading 'Mot de passe oublié?', and instructions: 'Introduisez votre identifiant et votre adresse e-mail pour demander un nouveau mot de passe.' Below this are two input fields: 'Identifiant' and 'Adresse e-mail'. A blue button labeled 'Demander un mot de passe' is positioned below the second field. A second section, 'Identifiant oublié?', provides instructions for users who do not know their child's identifier or have not received a new password, directing them to contact the school administrator. At the bottom, there is a link for more information and a button to return to the login page. The footer features the Smartschool logo and a link to download the app. The Windows taskbar at the bottom shows the date and time as 13:31 on 30-09-19.
